

2024 Employer Drug Testing Survey

The Current Consulting Group's 8th Annual Employer Drug Testing Survey identified several emerging trends and verified others that are likely to have a significant impact on how workplace drug and alcohol testing is conducted in the near future.

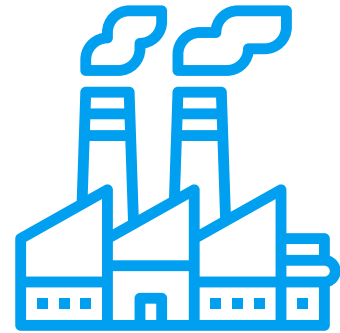

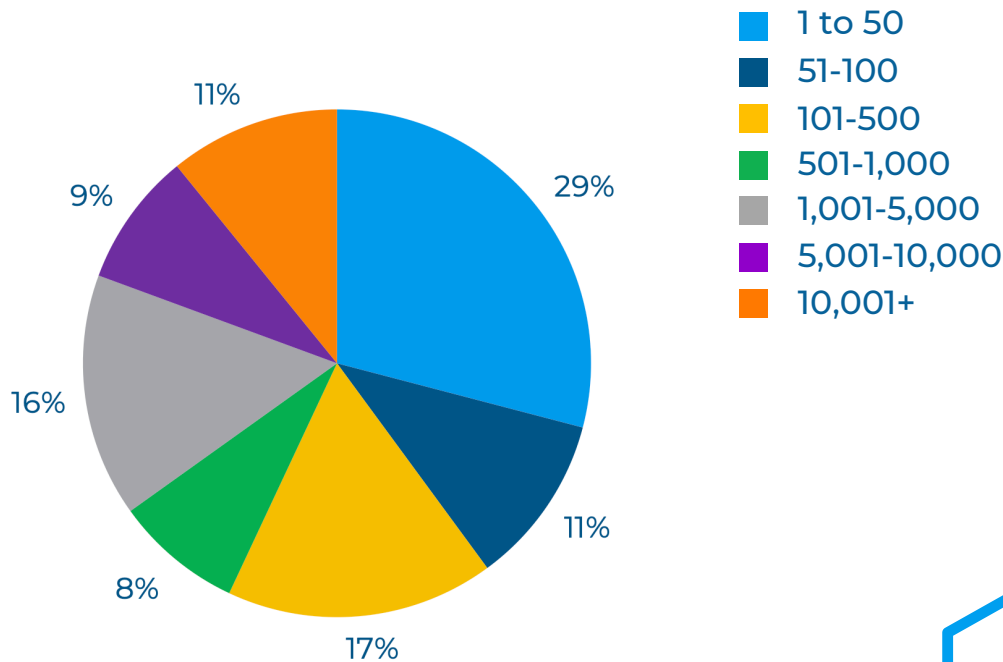

Thank You to Our Sponsors:

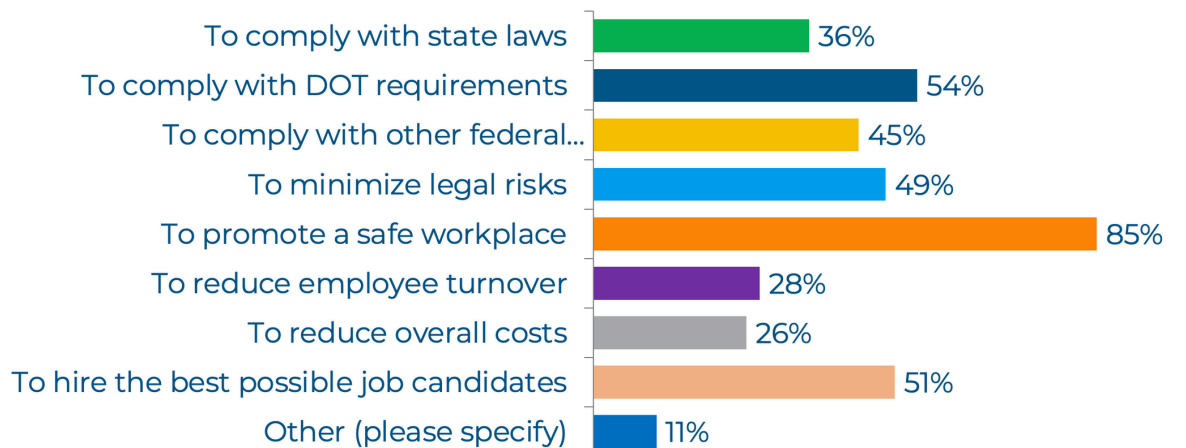

Employers & Drug Testing

Total annual volume of drug tests performed by your company

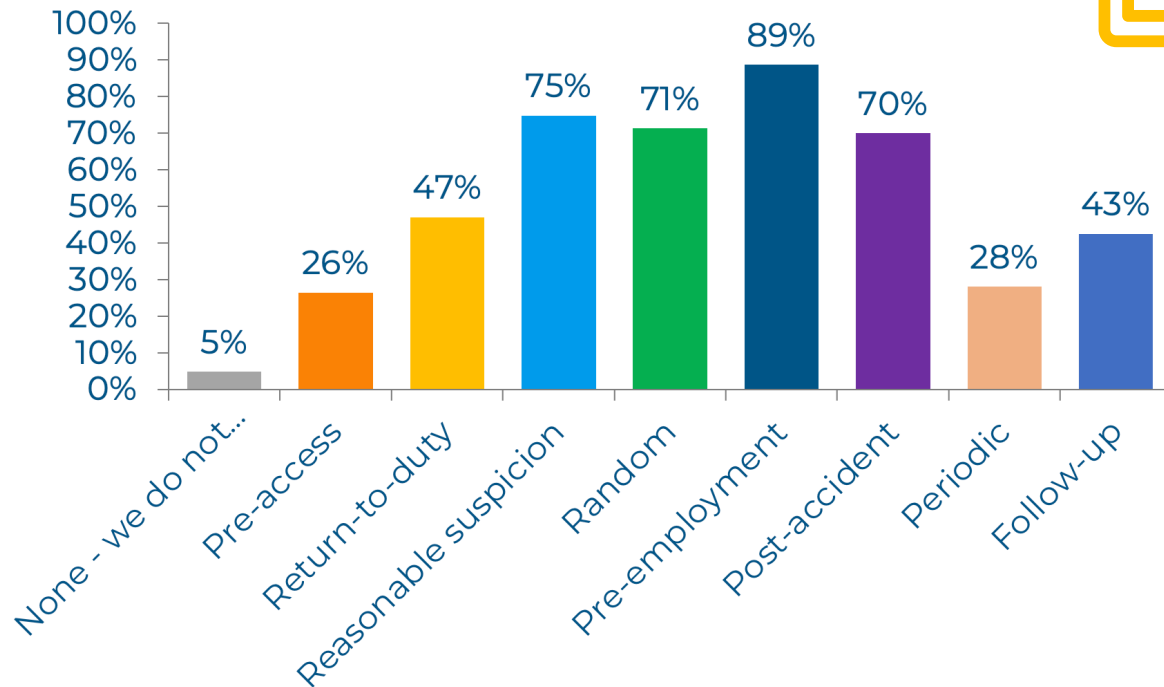

Why establish and maintain a drug testing program?

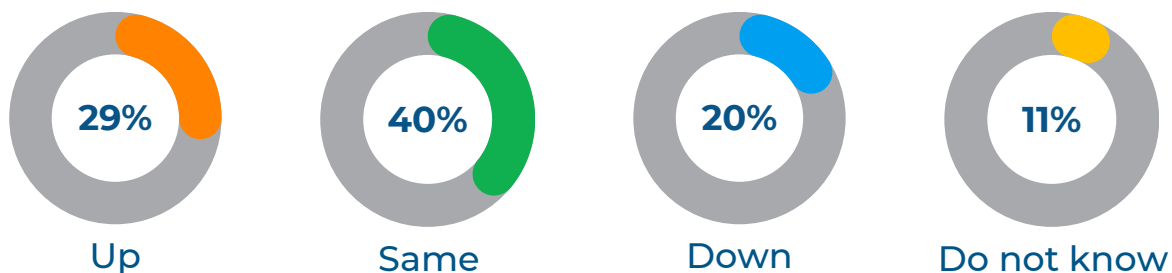

Employers & Drug Testing

When does your company conduct drug testing?

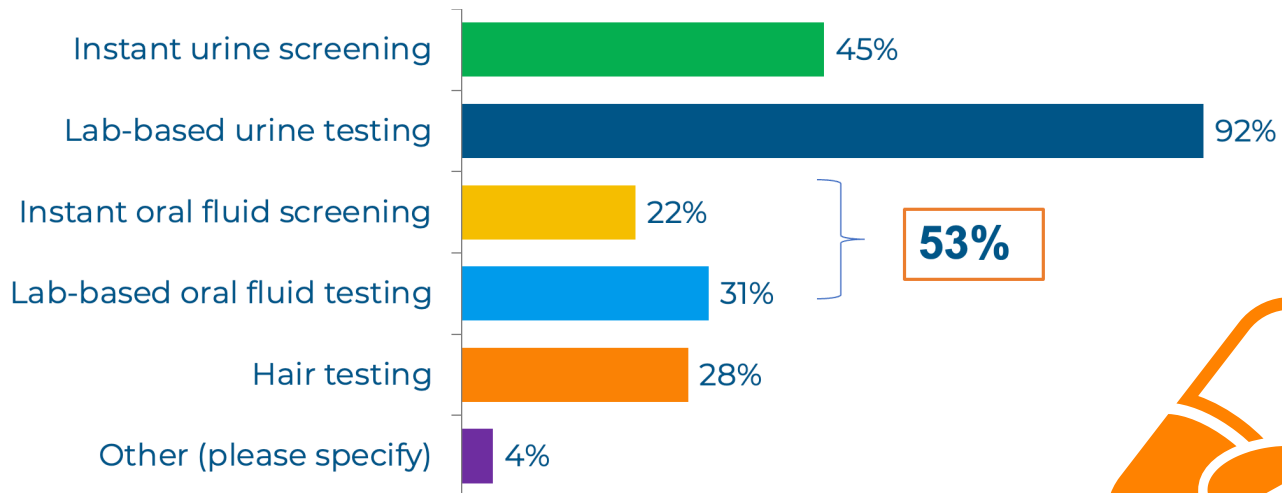

How are pre-employment testing volumes this year compared to last year?

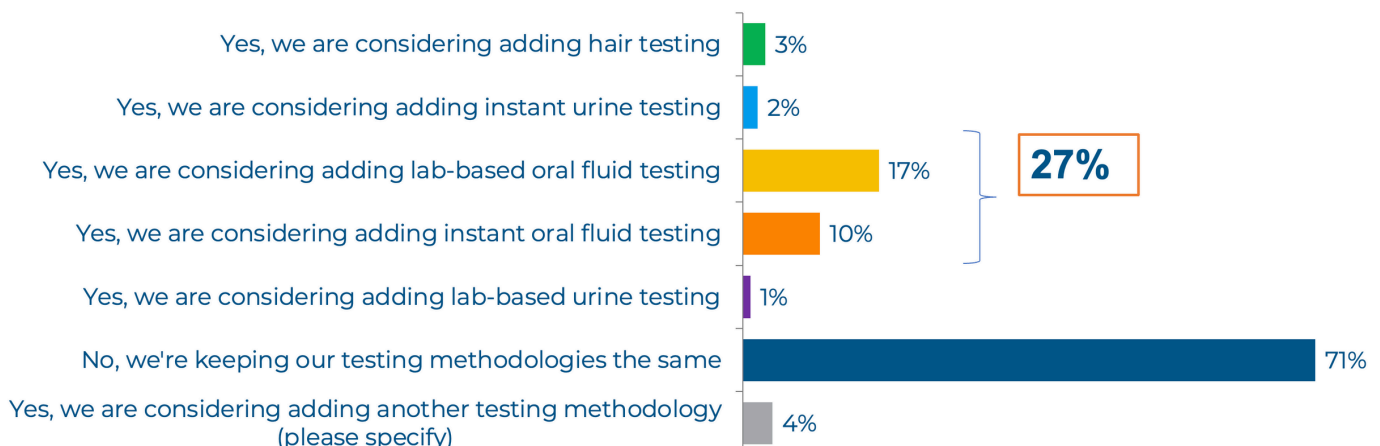

Employers & Drug Testing

What drug testing method(s) do you currently use in your workplace?

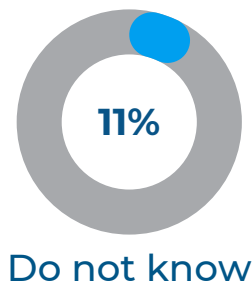

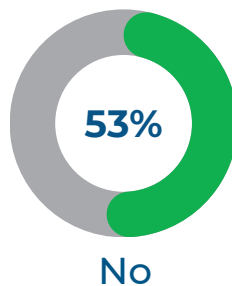

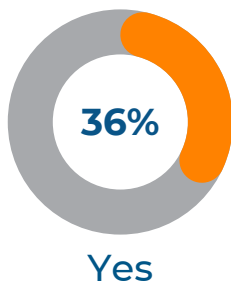

Do you plan on adding testing methodologies to your program in the next 12 months? (Select all that apply)

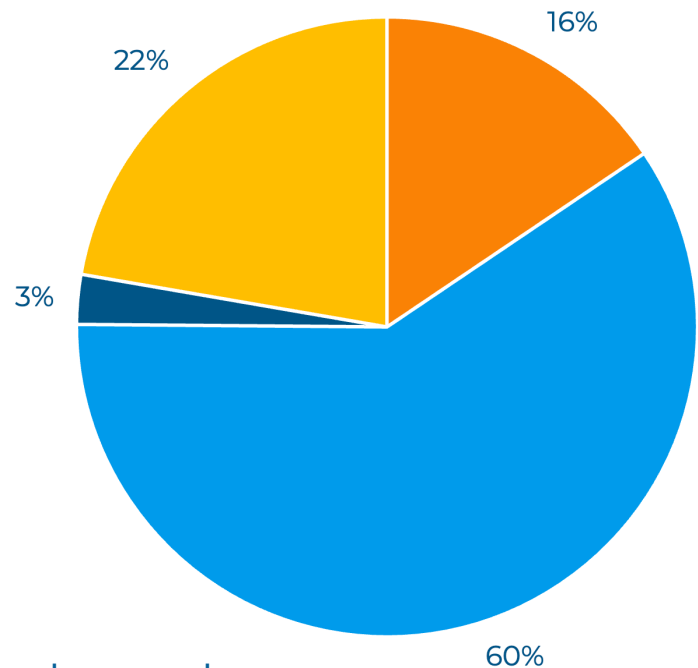

Drug Testing Details

Have positive drug test results increased over the past year?

Have post-accident positive drug test results increased in the past year?

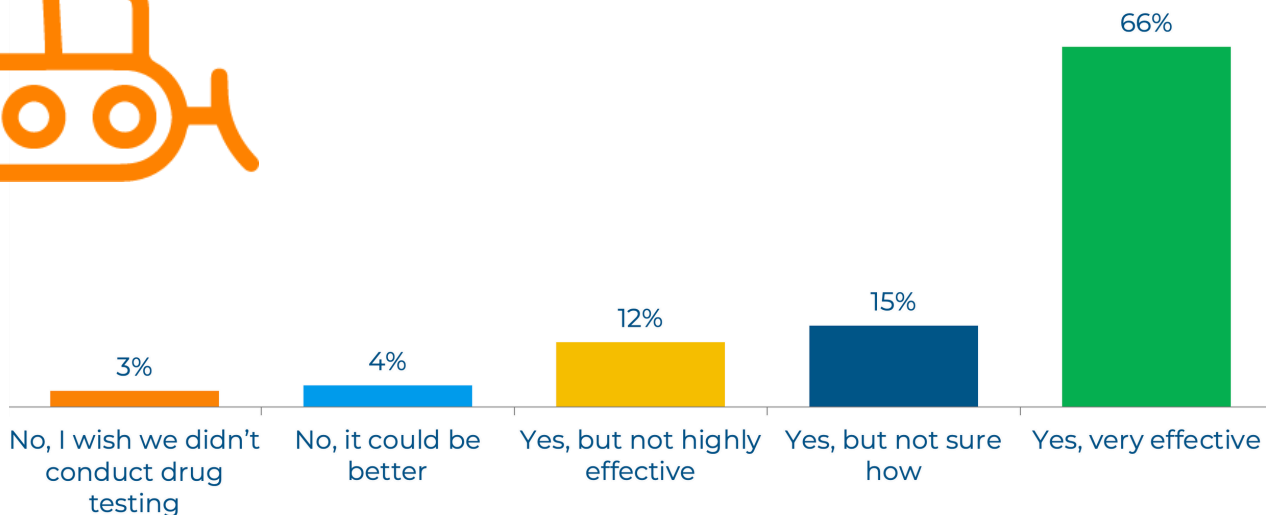

- Yes, they have increased
- No, they are the same
- Post-accident positive results have decreased
- Do not know

Drug Testing Details

What benefits does your company realize from drug testing?

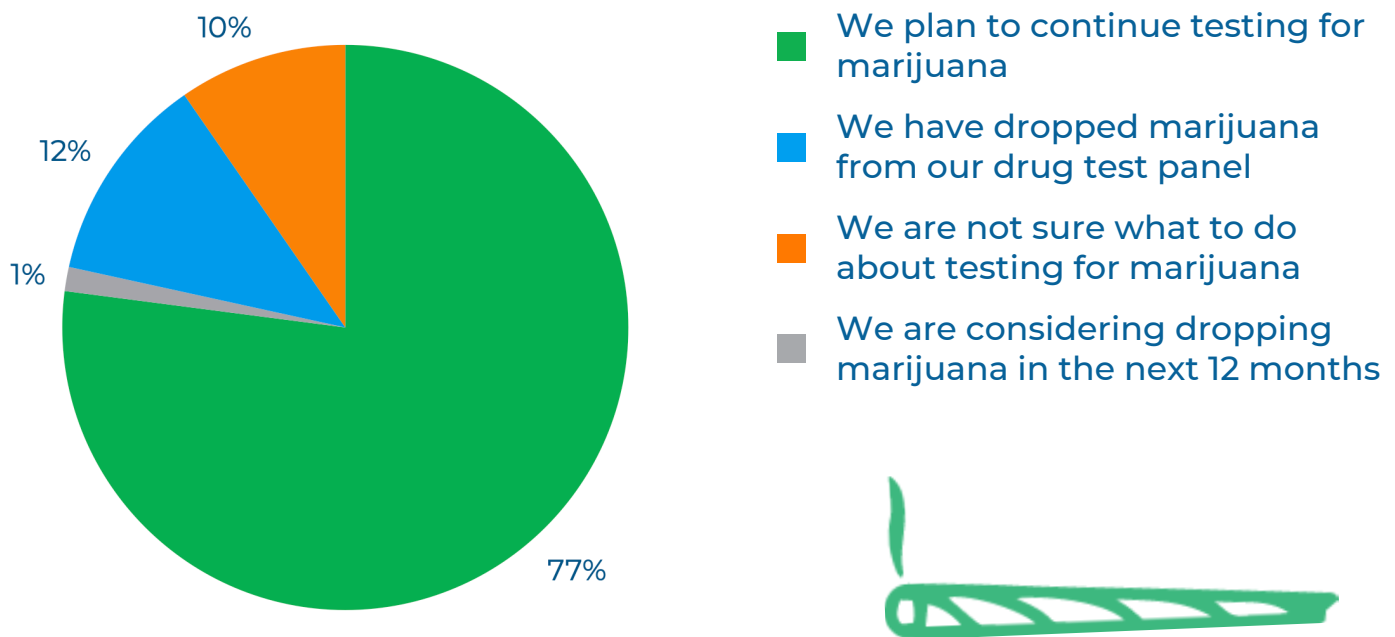

Speaking for yourself, do you consider drug testing effective?

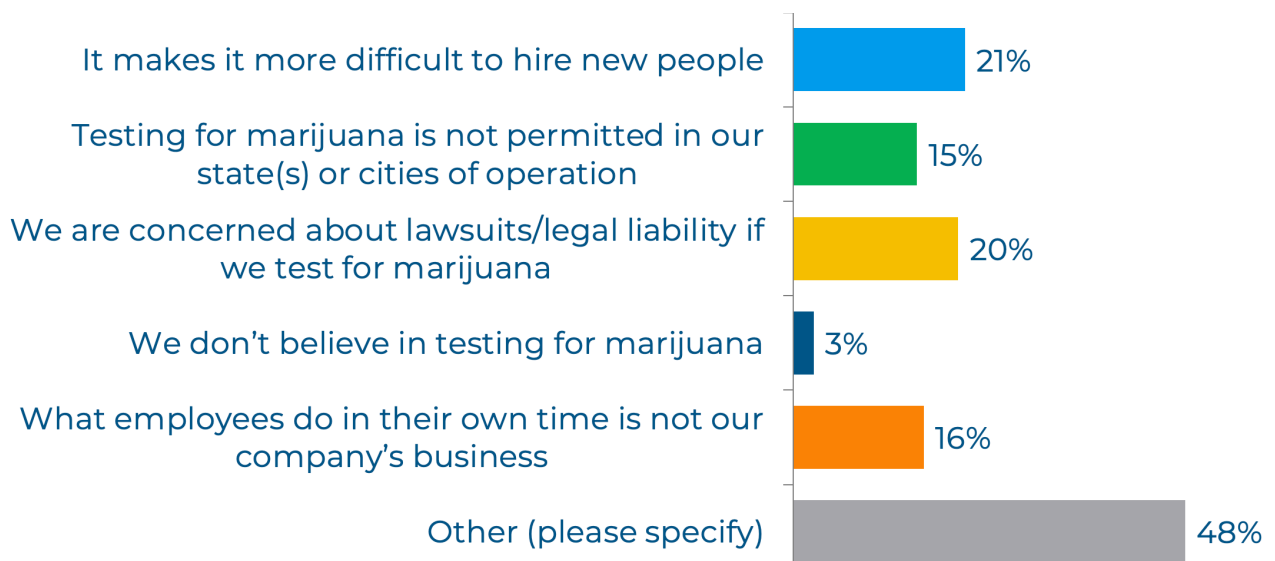

Marijuana and the Workplace

What is your company's position on testing for marijuana?

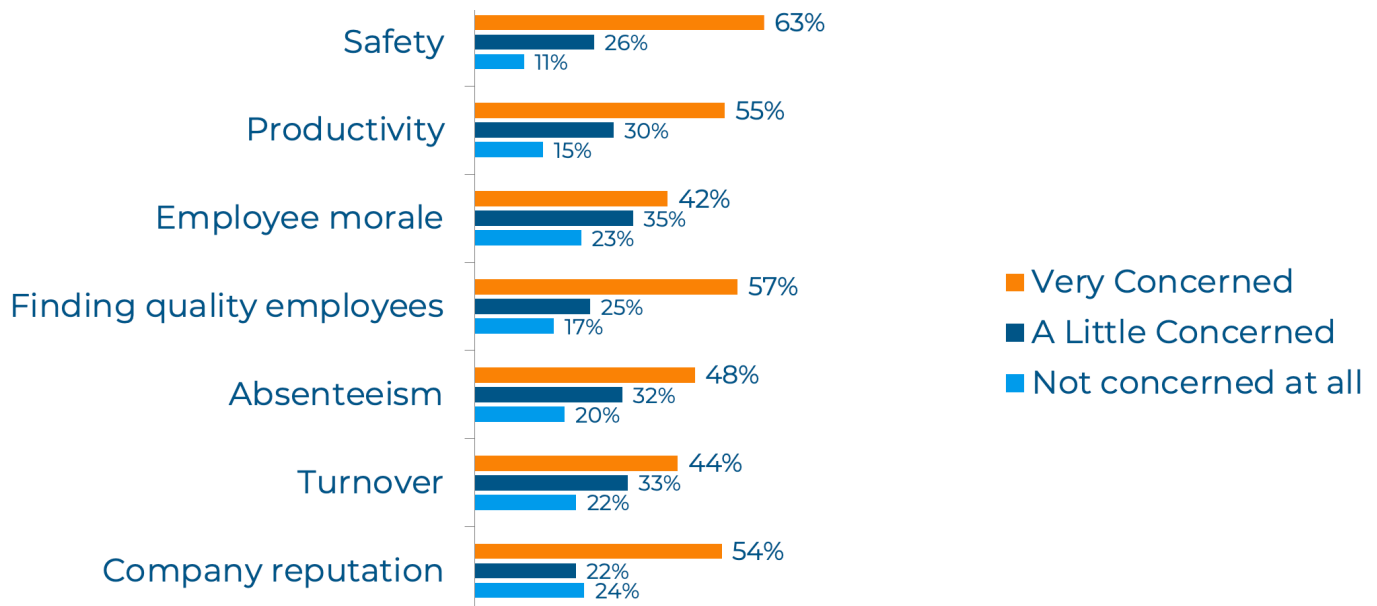

If you are considering removing marijuana from your program, please indicate why.

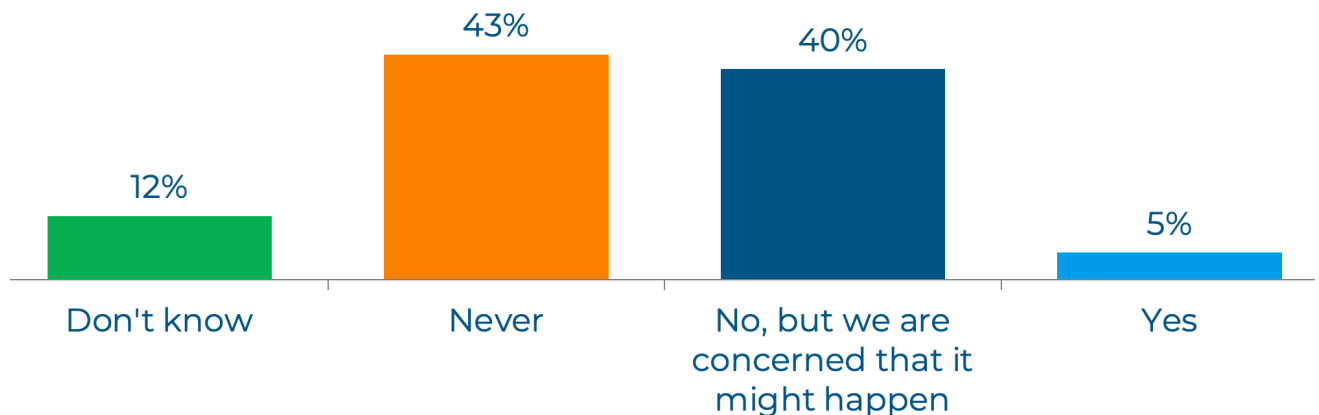

Marijuana and the Workplace

Due to legalized marijuana, how concerned are you about:

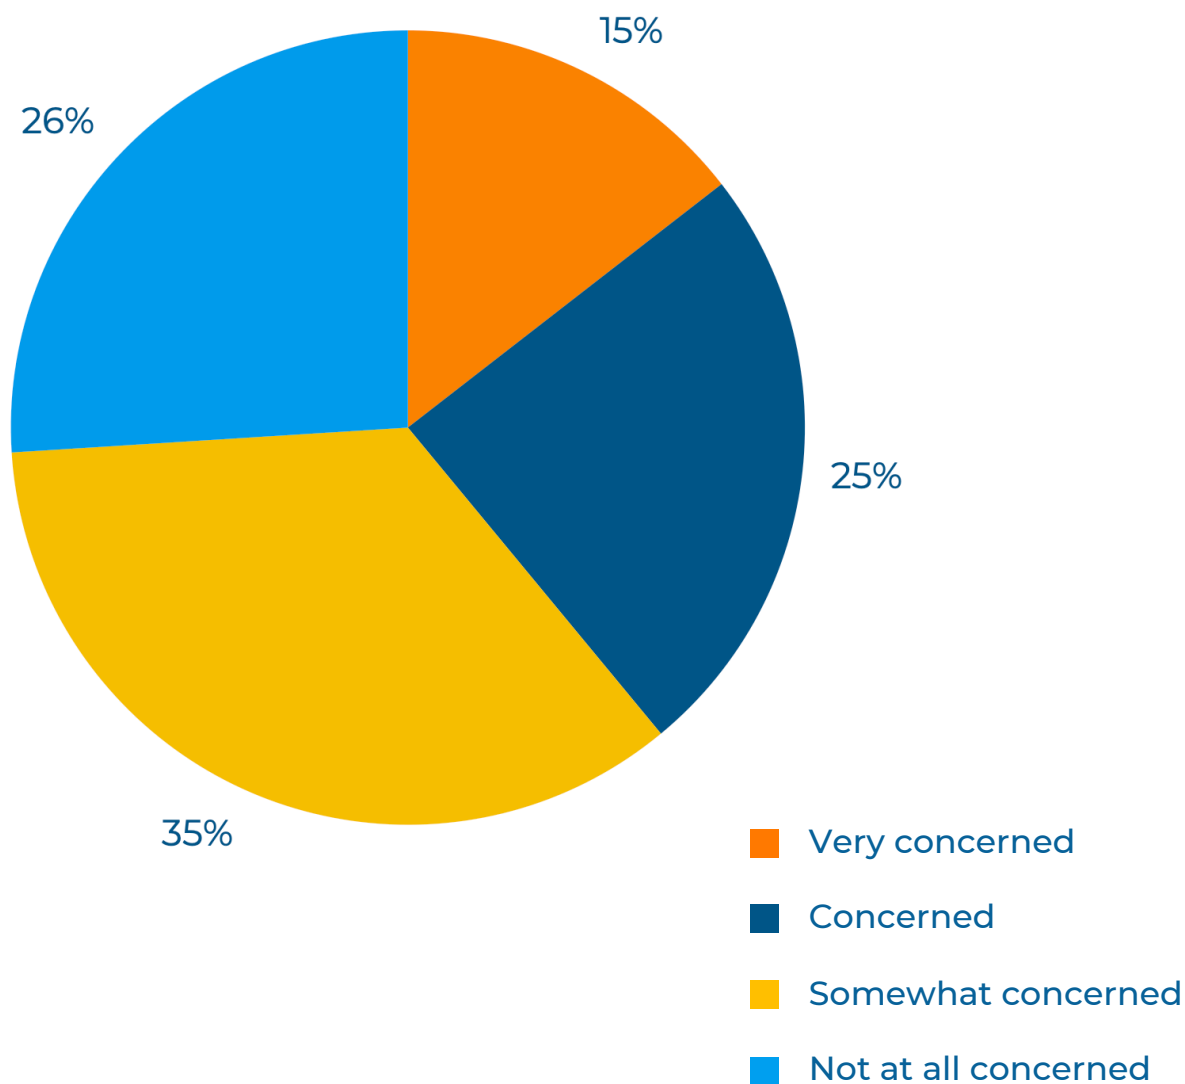

Has your company faced a legal challenge from an applicant or employee because your company tests for marijuana?

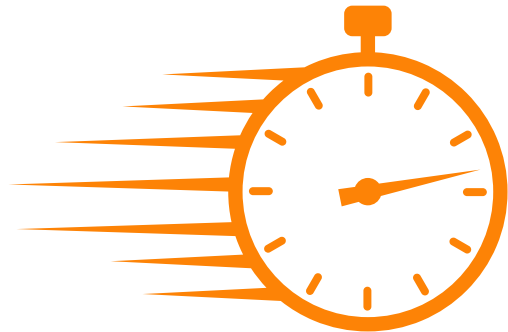

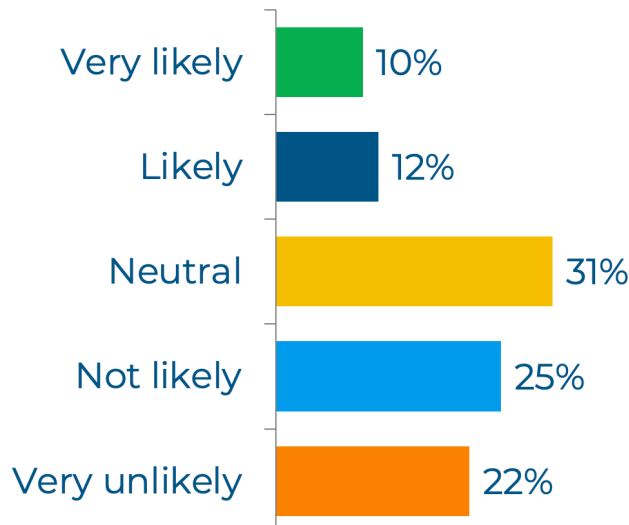

Drug Test Cheating

How concerned are you about drug test cheating?

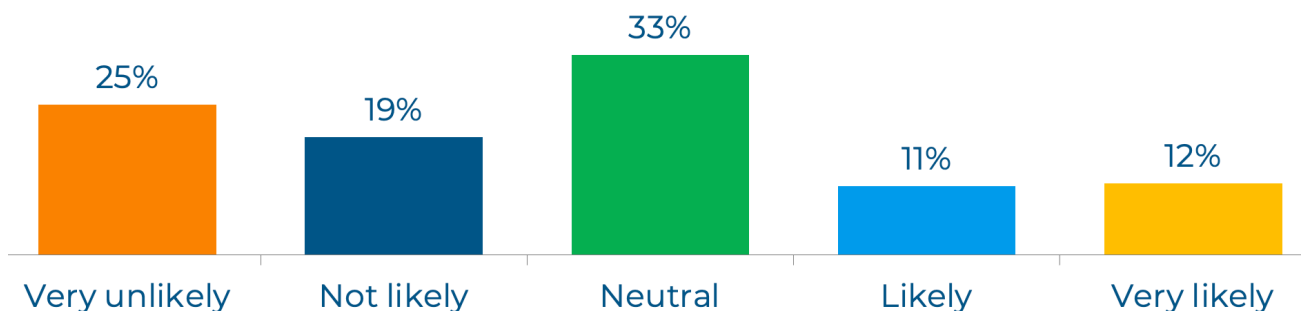

Rapid-Result Testing

How likely would you be to move from lab-based drug testing to instant or rapid-result drug testing in the next 1-2 years?

How likely are you to move from clinic collect/rapid testing to direct on-site collect/rapid testing in the next 1-2 years?
